

DELEGATE PROGRAM REGISTRATION STEP BY STEP HOW-TO GUIDE

2020 NATIONAL ORDER OF THE ARROW CONFERENCE • MICHIGAN STATE UNIVERSITY

Beginning April 1, 2020, contingent members (delegates) may begin selecting which program offerings they want to participate in at NOAC. Program offerings include trainings, competitions, special events and recreation activities. Program offering selections are made by each individual delegate through their National Order of the Arrow Event Registration System ([NOAERS](#)) dashboard.

Delegates will be assigned to program activities based on level of interest and program offering capacity. Delegate program schedules will be released on July 1st, 2020. Delegates must select program offerings no later than May 31st, 2020. The sooner a delegate selects program offerings, the higher likelihood they have of being assigned to those program offerings.

SELECTING PROGRAM OFFERINGS

As a delegate, you have control over which program offerings you select and setting your level of interest. To take advantage of those program offering, please follow the steps below.

1. Navigate to the **Activities** tab of your Attendee dashboard.
2. You will see two types of program offerings, **Training Activities** and **General Activities**.
3. Start with **Training Activities** and click the **Add New** button.
4. You will see two program areas, **Trainings** and **Trainings (Inductions & Ceremonies)**.
5. Click the **Select** button to explore opportunities within each program area.

6. You will see a list of all program offerings available to your registration type within that program area. By clicking a program offering title, additional information drops down including a description.
7. Click the **Select Activity** button to add it to your individual program offering selections.
8. Continue to search throughout the program offerings to select the things that interest you most. Delegates are encouraged to select five training offerings and are required to at least select three. Click the **< Program Areas** button to switch between program areas.
9. Repeat steps 3 through 8 for **General Activities**. Delegates are encouraged to add five General Activities to their individual program offering selections.

Click the NAME of an Activity below to read information about that Activity. Click the SELECT ACTIVITY button to choose an Activity.

30+ Years of Service ▾

A Practical Guide to Oral History ▾

Arrowman Conservation School, Level 1 ▾

Select Activity

2-Day Course, Pre-Requisite: None. Day 1 will be a full-day of classroom training on-campus covering trail tools, basics of materials, basics of trail construction and maintenance projects, basics of trail design and planning, and basics of the Incident Command System. Day 2 will be a full-day of field training wherein students will participate as crew members in the nearby off-campus conservation project gaining hands-on experience in trail work. Typical participation in Day 2 involves physical labor as crew members, but we will accommodate persons of all abilities to meaningfully participate in the conservation project.

Level: Basic
Audience: Youth and Adult

If you are interested in a team activity, such as a relay race or basketball tournament, contact your contingent leader. Your contingent leader is responsible for signing up for contingent offerings and identifying which delegates will be assigned to participate. Assigned contingent program offerings will also appear on your individual program schedule once released.

Please note that enrolling in an activity does not guarantee that you will be placed in a specific class. Some program offerings will have limited space. Date of selection, level of preference, and other factors will be used to determine which delegates are assigned program offerings. Delegate program schedules will be released on July 1st, 2020.

Questions? Contact your Contingent Leader. If they are unable to answer your questions, they will be able to contact your contingent's Concierge for additional support.
